

Director of Architecture

Founded in 2001 by two retired US Air Force engineers; the Atriax Group is a multidisciplinary group of companies providing design, construction, and development services to the US Government, state and local governments, and private entities worldwide. Our success is due entirely to the high caliber of employees we recruit, hire, and retain. At Atriax, we look for professionals who thrive in a high-performance environment where challenges are the norm and success is expected.

Atriax is a US Small Business Administration (SBA)-verified Service Disabled Veteran Owned Small Business (SDVOSB) with an active US Government (USG) portfolio and body of work. Significant clients include the US Department of Veterans Affairs (VA), US Department of Defense (DoD) and other USG agencies. The company is well known within the VA, holding national, regional, VISN, and station-level design contracts. The company is strategically engaged in selected joint ventures further broadening the portfolio.

Position Summary

The Atriax Group is seeking a dynamic and passionate design-forward leader to join our firm as the Director of Architecture. The Director will be a key member of the Atriax Group senior management team, responsible for supporting the Principals and other directors in the areas of growth, revenue, profitability, project management, design, staff management and client relationships. You will be responsible for a diverse portfolio of projects that span the globe.

The Director will lead and mentor a proven team of designers and project managers, guiding projects from conception through subsequent design and documentation phases. Along with the Principals and Senior Leadership, this individual will collaborate on strategic firm-wide design and creative initiatives that are crafted to continuously elevate the firm's profile in our core markets, as well as the design community.

The Director will report to our new, award-winning Hickory, NC office, and supervise a staff of 10 individuals including registered and graduate architects, project managers, and CAD staff. Hickory, NC has been spotlighted by US News and World Report as an economical community with excellent quality of life, and our office is within walking distance to downtown Hickory. The Director we are looking for will:

- Possess a minimum of 20 years of experience in the architecture and design field.
- Be a registered architect with proven leadership skills.
- Have experience in guiding the operations of a studio; both in the mentorship and development of staff as well as fiscal oversight.
- Have significant project experience in some combination of Healthcare, Government (Department of Defense and Department of Veteran Affairs is a plus), Aviation, Office, or Higher Education markets.
- Have significant experience with complex Government projects and contracts.
- Demonstrate a high level of drive and collaborative spirit to help grow and mentor a dynamic studio with engaged team members.
- Be proficient with the AutoDesk family of products, to include both Auto CAD and Revit.
- Be available for domestic and international travel.

As a Service Disabled Veteran Owned Small Business, the Atriax Group has a deep commitment to veteran hiring, support, and career advancement. We are especially interested in candidates who are veterans or transitioning military personnel.

Compensation commensurate with experience and leadership background. The Atriax benefits package is considered to be comparable or better than those offered by peer companies
